

# MAURO BOTTONE

*I am excited about the possibility of joining a team of front-end developers and working on exciting projects that allow me to continue learning and growing. I believe that my technical skills and passion for technology would be a valuable asset to any company looking for a committed and motivated front-end developer.*

**EducacionIT**

IoT - Arduino

Diciembre 2021 - Enero 2022

**EducacionIT**

Python para no programadores

Agosto 2022 - Septiembre 2022

**CoderHouse**

React JS

Febrero 2022 - Mayo 2022

**CoderHouse**

Desarrollo Web

Mayo 2022 - Julio 2022

**CoderHouse**

JavaScript

## EXPERIENCIA

**Diciembre 2010 - actualmente**

**Policia de la Ciudad**

Police Officer - Grade: Oficial Mayor

*In my career as a police officer, I gained leadership and teamwork skills. I served as a team leader for a group of 120 people, which allowed me to coordinate actions and work collaboratively with other departments. I am confident that these skills could be of great use in the field of programming and software development.*
